EQUAL OPPORTUNITIES POLICY

Intention

Igne does not discriminate against staff on the basis of sex, sexual orientation, marital or civil partner status, gender reassignment, race, pregnancy and maternity, religion or belief, disability or age including discrimination by association or perception. The principle of non-discrimination and equality of opportunity applies equally to the treatment of former staff, visitors, clients, customers and suppliers by members of our current workforce.

We are committed to a programme of action to ensure the effectiveness of this policy and to bring it to the attention of all staff.

This policy deals with the specific categories of staff and areas of work which we have identified as potentially giving rise to equal opportunities issues and provides more specific guidance on the parameters of our policy and approach to equal opportunities.

All staff have a duty to act in accordance with this policy, and to treat colleagues with dignity at all times and not to discriminate against or harass other members of staff, whether junior or senior to them. In some circumstances, we may be at risk of being held responsible for the acts of individual members of staff and will not therefore tolerate any discriminatory practices or behaviour.

This policy does not form part of any employee's contract of employment and it may be amended at any time.

Who is covered by the policy?

This policy covers all individuals working at all levels and grades, including Managers, officers, Directors, employees, consultants, contractors, part-time and fixed-term employees, casual and agency staff associated with **Igne Group Ltd** or any of our subsidiaries (collectively referred to as employees in this policy).

This policy applies equally to the treatment of our visitors, clients, customers and suppliers by our staff and the treatment of our staff by these third parties.

Personnel responsible for implementation of the policy

Our Board of Directors has overall responsibility for the effective operation of our equal opportunities policy and for ensuring compliance with the relevant statutory framework prohibiting discrimination. The Board has delegated day-to-day responsibility for operating the policy and ensuring its maintenance and review to the Chief Executive Officer.

Those working at a management level have a specific responsibility to set an appropriate standard of behaviour, to lead by example and to ensure that those they manage adhere to the policy and promote our aims and objectives regarding equal opportunities.

All members of staff are responsible for the success of this policy and must ensure that they familiarise themselves with the policy and act in accordance with its aims and objectives. If you are involved in management or recruitment, or if you have any questions about the content or application of this policy, you should contact the Human Resources Manager.

Scope and purpose of the policy

This policy applies to the advertising of jobs and recruitment and selection, to training and development, opportunities for promotion, to conditions of service, benefits and facilities and pay, to health and safety and to conduct at work, to grievance and disciplinary procedures and to termination of employment, including redundancy.

We will take appropriate steps to accommodate the requirements of workers' religions, cultures, and domestic responsibilities.

Forms of discrimination

Discrimination may be direct or indirect and it may occur intentionally or unintentionally.

- Direct discrimination occurs where someone is put at a disadvantage for a reason related to one or more of the protected characteristics covered in the Equality Act 2010. For example, rejecting an applicant on the grounds of their race because it is considered they would not "fit in" could be direct discrimination.
- Indirect discrimination occurs where an individual is subject to an unjustified provision, criterion or practice which puts them at a particular disadvantage because of, for instance, their sex or race. For example, a height requirement would be likely to eliminate proportionately more women than men. If this criterion cannot be objectively justified for a reason unconnected with sex, it would be indirectly discriminatory on the grounds of sex.
- Discrimination also includes victimisation, less favourable treatment because of action taken to assert legal rights against discrimination or to assist a colleague in that regard and harassment (which is dealt with under our Anti-harassment Policy).

Recruitment and selection

- We will ensure that job applicants are treated equally and receive the same opportunities and are not discriminated against on any unlawful grounds. Our recruitment procedures are reviewed regularly to ensure that all candidates are considered on the basis of their relevant skills and abilities. Job selection criteria are regularly reviewed to ensure that they are essential for the effective performance of the job and therefore justified on non-discriminatory grounds.
- We take steps to ensure that any vacancies reach a diverse labour market and, where relevant, include groups underrepresented in our organisation. Vacancy advertisements shall include an appropriate short statement on our Equal Opportunities Policy and a copy of this policy shall be sent to those who enquire about vacancies.
- To ensure that this policy is operating effectively with respect to recruitment and selection and the other areas mentioned, and to identify those sections of the local community which may be under-represented in employment, ongoing monitoring is carried out to provide the basis for taking appropriate steps to eliminate unlawful direct and indirect discrimination and implement this policy.

Staff training and promotion and conditions of service

Staff training needs will be identified through regular reviews with Line Managers. All staff will be given appropriate access to training to enable them to progress within the organisation and all promotion decisions will be made on merit.

The composition and movement of staff at different levels will be regularly monitored to ensure equality of opportunity at all levels of the organisation. Where appropriate, steps will be taken to identify and remove unnecessary or unjustifiable barriers and to provide appropriate facilities and conditions of service to meet the special needs of disadvantaged or underrepresented groups.

Our conditions of service, benefits and facilities are reviewed regularly to ensure that they are available to all staff who should have access to them.

Termination of employment

We will monitor redundancy criteria and procedures to ensure that they are fair and objective and are not directly or indirectly discriminatory.

We will also ensure that disciplinary procedures are carried out fairly and uniformly for all staff, whether they result in disciplinary warnings, dismissal or other disciplinary action.

Disability discrimination

If you are disabled or become disabled in the course of your employment with us, you are encouraged to discuss your condition with us. This is to enable us to support you as much as possible. You may also wish to advise your Line Manager or the Human Resources Department of any reasonable adjustments to your working conditions or your duties which you consider to be necessary, or which would assist you in the performance of your duties. Your Line Manager or The Human Resources Department may wish to consult with you and with your medical adviser(s) about possible reasonable adjustments. Careful consideration will be given to any such proposals and they will be accommodated where possible and proportionate to the needs of your job. There may be circumstances where it will not be reasonable for us to accommodate suggested adjustments and we will ensure that we provide you with information about our decision not to make any adjustments.

We will monitor the working environment of our premises to consider whether they place disabled workers, job applicants or service users at a substantial disadvantage compared to other staff. Where possible and proportionate, we will take steps to improve access for disabled staff and service users.

Fixed-term employees [and agency workers]

We monitor our use of fixed-term employees [and agency workers], and their conditions of service, to ensure that they are being offered appropriate access to benefits, training, promotion and permanent employment opportunities.

Part-time workers

We monitor the conditions of service of part-time employees and their progression to ensure that they are being offered appropriate access to benefits and training and promotion opportunities. We will ensure requests to alter working hours are dealt with appropriately under our Flexible Working Policy.

Breaches of the policy

If you believe that you may have been discriminated against you are encouraged to raise the matter through our Grievance Procedure. If you believe that you may have been subject to harassment you are encouraged to raise the matter through our Anti-harassment Policy. If you are uncertain which applies to you or need advice on how to proceed you should speak to Human Resources.

Allegations regarding potential breaches of this policy will be treated in confidence and investigated in accordance with the relevant procedure. Staff who make such allegations in good faith will not be victimised or treated less favourably as a result. False allegations which are found to have been made in bad faith will, however, be dealt with under our Disciplinary Procedure.

Any member of staff who is found to have committed acts of discrimination or harassment will be subject to disciplinary action. Such behaviour may constitute gross misconduct and, as such, may result in summary dismissal.

Policy review and effectiveness

We review this policy regularly to ensure it is compliant with The Equality Act (2010) and associated legislation.

We review complaints and grievances that have been received to determine if the policy is effective
